EXPERIENCE

Freelance Performance Media Buyer & Creative Strategist

2021 - Present

Paid Ads - Lead Generation - Sales Campaigns - Creative Testing - Remote

- Managed paid ad campaigns across Meta and TikTok, with work across lead generation, sales/conversion campaigns, traffic, retargeting, and creative testing.
- Managed up to 8 ad accounts concurrently and over \$30K/month in ad spend across active accounts.
- Generated 1.5M+ tracked leads from one ad account this year, with 639K+ intake leads shown in Meta Leads Center proof.
- Scaled paid distribution to 17.2M paid views and 772K+ link clicks while improving efficiency across campaign periods.
- Owned campaign structure, audience planning, creative testing maps, tracking setup, budget pacing, daily optimization, and reporting.
- Researched competitor ads, market hooks, UGC angles, product creatives, and platform trends before launching tests.
- Created and briefed hooks, ad angles, UGC-style scripts, static product concepts, and short-form video concepts for testing.
- Cut losing ads quickly, refreshed fatigued creatives, scaled winners, and reported on CPL, CPA, CTR, CPM, LPV, ROAS, and cost per result.
